edaWorkshop09 - Call for Papers

edaWorkshop 09 ^[1]

The Call for Papers for [edaWorkshop09](#) ^[2] (May 26-28, 2009 in Dresden, joint event together with the CATRENE-/MEDEA+ DAC) is sent out these days. Industry and research are called to submit their contributions until **November 11, 2008**. Besides scientific contributions also application- or economic- oriented contributions are welcome, as well as reports on experiences or on the dissemination of results. See also the [Information on the submission of contributions](#) ^[3].
