newsletter edacentrum (EN)

The **newsletter edacentrum** is about news on Electronics Design and Applications (EDA) and Electronic Design Automation (EDA) twice a year (from 2001 - 2010 four times a year). Thereby it offers a platform for the exchange of information between the German EDA community. It also contains information on the BMBF established Ekompas and ICT2010 funding programs and its projects, as well as on market overviews, event notes and reports and interesting facts about the edacentrum and its activities.

Insight into the **current issue** can be found [here](#) ^[7] (in German only). There you will also find the **editorial deadline of the upcoming issue**. An overview of the previous newsletter edacentrum can be found [here](#) ^[8] (in German only). For authors, we have provided some hints and help [here](#) ^[9] (in German only).

Since June 2006 (issue 2006 02) the **newsletter edacentrum** is a publicly available journal with the **ISSN 1862 2283**. The journal is distributed free of charge to members and partners of the edacentrum and can be ordered [here](#) ^[10] [\(.pdf\)](#) ^[10] (in German only). The older editions are only available to edacentrum members and partners.
