SmartCoDe to present at EU ICT 2013 Mega-Event

 [1]

The Project SmartCoDe [2] coordinated by edacentrum has been assessed as an Excellence Project and has been invited to present its results at the ICT 2013 Event [3] in Vilnius on 6-8 November, 2013. More than 5000 researchers, innovators, entrepreneurs, industry representatives, young people and politicians are expected in Vilnius. The event will focus on Horizon 2020 - the EU's Framework Programme for Research and Innovation for 2014-2020 and includes a conference, an exhibition, networking sessions, investment forum, and activities for students and young researchers. It will be opened by Vice President of the European Commission, Neelie Kroes and the President of the Republic of Lithuania, Dalia Grybauskaite.

 Don't miss the chance, register at the conference registration site [4] and join us at booth 5D15.
