

Update of the Electronic Components & Systems Strategic Research Agenda available

[1]

The "Electronic Components & Systems Strategic Research Agenda" ([ECS-SRA](#) [2]) released by the three industry associations [AENEAS](#) [3], [ARTEMIS-IA](#) [4] and [EPoSS](#) [5] has been updated during 2018 and is now publicly available. In this [ECS-SRA](#) [2] which incorporates the entire value chain, the three associations present their visions for a digital Europe, the most important applications as well as the challenges and solutions for research, development and innovation in electronic components and systems. The document is available [here](#) [6] on the AENEAS website.

Further information is to be found in the AENEAS press release concerning the publication of the first version of the ECS SRA in January 2018:
